

**CALL FOR ASSIGNING No 5 AWARDS
SELECTED AMONGST THE BEST POSTER
PRESENTATIONS at POLYSTORAGE
WINTER SCHOOL 2023**

POSTER AWARD

The award will be assigned to the 5 best poster contributions presented by participants at the Polystorage Winter School 2023, aiming at valorizing the capability of catching the attention and clearly describing the results obtained in their work, as well as the skills and aptitude towards face to face scientific discussion.⁽¹⁾

(1) With reference to INSTM regulation (article 12): [Regolamento per l'assegnazione e la gestione di borse di studio, premi, collaborazioni, prestazioni e consulenze del Consorzio INSTM](#)

REGULATION

Art.1 | OBJECT AND VALUE

The call is open for all the participants of the 2023 Polystorage Winter School.

No 5 awards will be assigned to the best poster contributions, for a total value of € 1000 (€ 200 each one) including taxes; in case of additional sponsorships, other awards might be conferred during the event (of the same value and according to the same rules as the 5 awards described in this regulation).

Art. 2 | EVALUATION COMMITTEE

The INSTM Council will nominate the Evaluation Committee among the lecturers of the 2023 Polystorage Winter School, based on their widely recognized experience in scientific research and dissemination. Eventual conflicts of interest will be taken into account.⁽²⁾ The members of the Evaluation Committee will be announced on the official website of the event: <https://www.polystorage-etn.eu/polystorage-winterschool-2023-in-sestriere-italy/>.

(2) The incompatibility for the members of the Evaluation Committee is described in the [Code of Ethics](#), with the prohibition of evaluating one of the award candidates in case of family kinship up to the 4th grade (included) or legal marriage.

Art.3 | EVALUATION OF THE CANDIDATES AND ASSIGNMENT OF THE AWARDS

The awards will be assigned considering attractiveness and clearness of the poster, impact of the results and the expertise of the presenter in discussing with the audience. The decision of the Evaluation Committee cannot be disputed.

Art. 4 | CANDIDACY

Participants of the 2023 Polystorage Winter School who are going to compete for the awards should FILL IN THE ONLINE FORM BY WEDNESDAY 15TH OF MARCH:

https://docs.google.com/forms/d/e/1FAIpQLSel00Z9eIV62i72zn6eLuno8dsoo-rAkKQ5q-DyEZPzF6TLVg/viewform?usp=sf_link

TAKE CARE: the online form will be dismissed after Wednesday 15th of March. Poster contributions without the filled form will not be considered for the competition.

Art. 5 | ANNOUNCEMENT OF THE WINNERS

The winners will be announced during the Closing Remarks of the 2023 Polystorage Winter School on Friday 24th of March 2023.

Art. 6 | INFORMATION PRIVACY

According to article 13 of the Regulation (EU) 679/2016 by European Parliament and European Council, dated 27th of April 2016, personal data provided to compete for these awards will be only used to check the validity of the final evaluation and to accomplish the following bureaucratic practices. More detailed information is available on INSTM website, either [in Italian](#) or [in English](#). Personal data will be handled by INSTM, whose headquarters and fiscal address are placed in via Giuseppe Giusti 9, 50121, Firenze. Contacts: segreteria@instm.it, instm@pec.it.
